1. Of the AED 30,000 invested in DQG by Investor Partners, only AED 5000 is considered as partnership fee. The remaining AED 25,000 is kept aside for the Investor Partner organization's training needs. Therefore, when an Investor Partner sends employees to DQG's conferences / training programs / workshops / seminars, it need not pay for their attendance, as the amount is automatically deducted from this training quota.
2. Dubai Quality Group has partnered with Business Process Improvement Resource (BPIR) to provide its members free access to BPIR's online resources. BPIR provides a complete resource for improvement and business excellence. It contains a wealth of information for members.
